

Empowering students to find their passion through collaboration, innovation, and exploration.

SCHOOL DESCRIPTION

The ACA is a public charter school. The School's enrollment, grades 9-12, is 105. Our 36 week school year consists of a blocked instructional period spanning half of the regular school day. Students in the ACA are dual-enrolled in an affiliated school (based on attendance or open enrollment status) to complete graduation credits. The ACA has 5 faculty, 1 administrator and 1 counselor. SCHOOL CURRICULUM

Students move through our curriculum by attending interdisciplinary Foundation courses, seminars, workshops, internships and/or self directed projects. Students choose a focus for instruction based on their interest in Health Science, Business and Marketing or Design. All ACA courses are college preparatory and infuse problem solving, communication, professionalism, ethics and leadership.
